In the News

Calling on the FAA to Address BWI Noise

Unsatisfied with the response from the FAA and MAA regarding the noise issues that have plagued parts of Elkridge, Hanover, and Columbia for over one year, I pushed for a meeting with the FAA, along with Council Chair Ball and Executive Kittleman to meet to discuss actions to address the issues.

My office coordinate the July meeting in DC with the FAA and several elected representatives for the area. I look forward to a constructive conversation to discuss options for returning BWI flights back to to their previous paths. The residents of this area have been incredible advocates for their community and I appreciate their cooperation and patience.

Reorganizing Government to Improve Citizen Services

Effective July 1, 2016, the Howard County Department of Citizen Services will be making some changes to unveil their "No Wrong Door" approach to providing services to our citizens. Some offices will be changing their names, others will be added or expanding to make accessing services more intuitive and less onerous for those seeking assistance and guidance.

According to the Department, the web page link will be active beginning Friday, July 1st.

District 1 Community Cabinet Update

As many of you know, I have been holding quarterly Community Cabinet meetings with the leadership of the Home Owner's Associations (HOAs) and Community Associations (CAs) in the first district since fall of last year. We recently wrapped up our 4th quarterly meeting earlier this month and wanted to give everyone an update on the benefit of having your HOA or association involved.

In addition to being able to hear about the issues that are effecting individual communities, we have brought in some great speakers to share information and answer questions, including:

- Department of Public Works about sidewalks and roads,
- Police Department about speeding and identity theft,
- BG&E regarding special programs and services for communities, and
- Bridges to Housing Stability about their services to help address and prevent homelessness in Howard County.

In these presentations we have heard about the many services available to County residents, while also being able to provide input how they could improve their services.

The remaining 2016 Cabinet meetings have been scheduled for 6:30p-8:30p on September 14th and December 8th at the George Howard Building in Ellicott City. Make sure your HOA, Community or Neighborhood Association is represented; if they're not I highly encourage you to join us for the discussion. If you would like to be included on the guest list please email my District Aide, Jessie Keller at JKeller@HowardCountyMD.gov.

Community Happenings

What's **Happening**
THIS WEEKEND

Folky Fridays
