ADVANCED DEFENSIVE DRIVING & VEHICLE CONTROL

The Howard County Police Department will be conducting the **Collision Avoidance Training (C.A.T.)** for 2016, with classes beginning in March and continuing through December.

The C.A.T. program is an advanced defensive driving and vehicle control program for **licensed teenage driver's ages 16-20 years old**. The one day program (8 hours) is designed to provide young drivers with the knowledge and understanding of vehicle dynamics. The cost to each student is **\$ 95.00**.

The scheduled dates for 2016 are: **March 19 / April 23 / May 21 / June 25**

Call: Ms. Jessica Beram – C.A.T. Coordinator at 410-313-3700

or email at: JBberam@howardcountymd.gov.

LEADERSHIP U RECRUITMENT

Information Sessions for High School Leaders

Leadership U, a leadership development and community service program, invites current tenth grade high school students to apply for participation in their junior year. Students will learn how to make a difference in the community and how to develop leadership skills.

Leadership Howard County will welcome students and parents to attend the information session to hear more about Leadership U and receive insight from a few of its recent graduates.

Thursday, March 3, 7:00 – 8:00 p.m. at HCLS Miller Branch

Visit www.leadershiphc.org for information about Leadership U and Leadership Howard County.

CONSERVANCY STORYTELLING

An Evening of Local Stories

Friday, **February 26** – Doors open at 6:30 p.m.

Starts at 7 p.m. \$10/pp

Snow Date: March 18, 2016

Stories can encourage us, unite us and help bring a community together.

Join us for an evening of great stories that originate in our community.

You won't want to miss this unique opportunity to listen to personal stories told by ten engaging Howard County residents.

- Meet the storytellers
- Hear tales of local life

Register Today:

www.hconservancy.org or call: 410-465-8877

PREVENTIVE TIPS

During Cold Weather, Take Preventative Action

-  Wrap or insulate exposed pipes susceptible to temperatures.
-  Utilize other devices, such as heat tape, to help keep pipes from freezing.
-  Leave hot & cold water dripping on nights when temps dip below 15 degrees Fahrenheit.
-  Turn off and drain hose bibs.
-  Away for extended vacation? Set thermostat at 45 degrees or above.
-  Homes with crawl spaces, close outside air vents located in the foundation wall during extremely cold temperatures to keep exposed plumbing from freezing.
