Clive Graham provided an overview of the County Executive's transportation priority letter and how it was developed. Phil Nichols, Tom Butler, Raj Kudchadkar, and Jefferson Miller joined him in addressing questions from members of the Council and Delegation regarding criteria for inclusion and prioritization within the letter, public engagement and stakeholder input, survey methodology, details of specific projects, and coordination with SHA and MDOT.

Mr. Nichols agreed to provide detailed project descriptions for each of the projects included in the letter.

Dr. Ball suggested that the Council would reach a decision regarding signing the letter by the following Monday. Sandy Schrader commented that the priority letter could be amended or have an addendum sent during the year. Delegate Atterbeary announced that the Delegation agreed to sign the letter.

The meeting was adjourned at 5:37 p.m.
