The River Hill Community Association is a non-profit civic organization, which operates exclusively for the promotion of the health, safety, common good and social welfare of the owners of property in, and the residents of, the Village of River Hill. There are 2,096 residential units in the village with an approximate population of 7,000. Members of the Association are all residents, aged 18 or older. The Village is generally bounded by MD 108, the Middle Patuxent Environmental Area, and Guilford Road.
