

HOWARD COUNTY COUNCIL  
School System Budget Review Committee

October 14, 2016

Dear Superintendent Foose:

As you know, the County Council's School Budget Review Committee is well underway. The Committee has determined that it needs more information about certain key budgetary matters in order to proceed. The Committee will meet next on October 26 to discuss budgetary matters related to fixed charges and staffing. The Committee requests that you send individuals from your staff with appropriate expertise to brief the Committee on these matters. As Beverly Davis attended the Committee's most recent meeting, she should have a good idea of the kinds of questions the Committee has.

Similarly, the Committee requests that you send individuals to the meeting likely to be held during the week of November 7, at which time it will discuss budgetary matters related to special education and to legal services. As soon as that meeting time is set, we will let you know.

Thank you very much for your continuing cooperation in helping the Committee move forward in its assigned tasks.

Sincerely,

*Joshua Kaufman*
