Any aggregate capital budget or aggregate operating budget that exceeds the guidelines then in effect requires the affirmative vote of seven Councilmembers for approval.

By June 30 each year, the Council shall make tax levies deemed necessary to finance the budgets. Unless approved by an affirmative vote of nine, not seven, Councilmembers, the Council shall not levy an ad valorem tax on real property to finance the budgets that will produce total revenue that exceeds the total revenue produced by the tax on real property in the preceding fiscal year plus a percentage of the previous year's real property tax revenues that equals any increase in the Consumer Price Index as computed under this section. This limit does not apply to revenue from: (1) newly constructed property, (2) newly rezoned property, (3) property that, because of a change in state law, is assessed differently than it was assessed in the previous tax year, (4) property that has undergone a change in use, and (5) any development district tax used to fund capital improvement projects.

All County indebtedness for a term in excess of one year shall become due not later than thirty years after the date of issuance. If at any time the Council shall have failed to appropriate and to make available sufficient funds to provide for the timely payment of the interest and principal then due upon all County indebtedness, it shall be the duty of the Director of Finance to pay, or to make available for payment, to the holders of such indebtedness from the first revenues thereafter received applicable to the general funds of the County, a sum equal to such interest and principal.

### **Section 313. Purchasing.**

The Council shall prescribe by law a centralized system of purchasing and contracting for all goods and services used by the County.
