ORDER

Having received notice that a Petition of Appeal of the March 28, 2024, Order denying the March 5, 2024, Motion to Quash Subpoena filed by Randy Marriner, was filed with the Board of Appeals; having considered that the Petition of Appeal seeks to have the subject subpoena to Randy Marriner quashed such that Mr. Marriner should not be required to comply with the subpoena by providing documents and/or appearing at the hearing in this matter; and having received notice that a hearing on the Petition of Appeal will not be scheduled prior to the next hearing date in this matter (June 26, 2024), it is this 7th day of May 2024, by the Howard County Hearing Examiner:

ORDERED, that the hearing now scheduled in this matter for June 26, 2024, shall be postponed until such time that (1) the Petition of Appeal is heard and decided, or (2) the Appellants inform the Hearing Examiner that they wish to proceed without the testimony of, and documents provided by, Mr. Marriner as requested in the Subpoena.
