R. J. Frances

The required Green Neighborhood and LEED Construction reports, for the 2024 calendar year, are attached.

The Green Neighborhood report provides information on all residential construction that was required to meet the Green Neighborhood checklist or other approved methods such as the ICC 700 National Green Building Standard. This report is required to be submitted on an annual basis in accordance with CR116-2007.

The LEED construction report shows the number of projects that were required to meet LEED standards and would show if any waivers to these requirements were granted during this reporting cycle; no waivers were granted. This report is required to be submitted on an annual basis in accordance with CB47-2007.

Please let me know if you have any questions after reviewing the attached reports.
