Questionnaire for County Executive

Stated as a weekly average, how much time do you devote to your duties as Council Executive?

How much time do you think a County Executive should be committing for their duties?

What proportion of that time is devoted to (a) supervising the offices, departments, boards, and staff of the County (b) constituent services and community engagement (c) attending public meetings (d) the County budget, County legislation, or other legislative duties and (e) other tasks (please describe)? Which of those are most important?

What skills and abilities must a person have as a Council Executive and which of those are most important?

What do you think the total compensation package should be for the next Executive?

What else would you like to tell the Commission?
